26/8/04 The necessity for the transfer of the provision from under "8 Experimental Farm" to 4 Establishment not clear. There seems to be no difficulty in drawing the pay of the Inspectors engaged on the Experimental farm work. The Charge is properly debitable to 8 Experimental Farm and the transfer of the provision would result in the debit of the Charge to the wrong head. Expenditure of all kinds including the pay of the Inspectors incurred in connexion with the Experimental farm is debitable to the head provided therefor in the Budget.
